CONTACT NORTH

Contact North is a bilingual, provincially funded non-profit organization that offers residents of Ontario, access to education and training through online courses and programs from colleges and universities and many other organizations, whose courses are funded by various levels of government.

Services are entirely free and used by anyone – businesses, corporations or individuals - interested in upgrading their skills, training their employees, completing professional development or changing careers altogether, as there is access to over 50,000 programs and courses, hundreds of which are free!

Whether you need to complete your high school diploma, learn essential soft skills for the workplace, upgrade your Microsoft 365 knowledge, get a university degree or simply train your staff in the hospitality industry for Smart Serve and Food Handler certifications, Contact North can help you find the best avenue to learn - because meaningful employment starts with meaningful training.

Get the training you need, to get the job that you want!
